BIOGRAPHY

Marta van Dam is a Madrid native with Dutch blood who has been a music fan since she was little and plays several instruments in a self-taught way, beginning her professional career as a DJ in 2021.

Her dedication and passion for electronic music have positioned her on the national music scene, playing in some of the most important venues in the city, such as Lab the Club and Istar, and playing in important clubs in Ibiza, Marbella and Cádiz.

She has shared the booth with artists such as Fatboy Slim, Satori, Themba, Tiësto and Nic Fanciulli among others.

On May 2023 she released her first track "Parallel Lines" on Critical Sounds recordings and on August 2023 "Psychedelia" was released on And Dance ranked top 55 on Beatport on its first week.
